## EDUCATION

2012 - 2016

**Edinburgh University, UK**

Master of Arts with Honours,  
Psychology

2020 - 2021

**Försvarshögskolan, Stockholm**

Ledningsvetenskap

## RELEVANT SKILLS

- Solid linguistic expertise: **English, Swedish, Kurdish, Italian, Turkish**
- Structured and highly organized
- Communicates pedagogically and cooperatively
- Tech savvy: experience with podcasts/social media
- Adept at solving complex problems

## CAREER OBJECTIVE

Having a broad profile as an organizational consultant, I am proficient in leadership development, company culture, decision making, and organizational structures and change, all of which require an understanding of human cognition and systems thinking. As of now, I intend to transition to a role where I can combine and hone my skills in managing complexity in systems.

## PROFESSIONAL EXPERIENCE

November 2019–Present

### Organizational Consultant

*Kingfisher Consulting AB, Stockholm*

- Identified training and development needs.
- Assessed participants, formulated and implemented training programs, applying principles of learning and individual differences.
- Wrote reports, and presented research findings to suggest potential changes in organizational functioning and management decision making.
- Facilitated organizational development and change.

September 2016–present

### Linguist & Translator

*Robîn Özer (enskild firma), Stockholm*
